SIR

Re: exemption of houses in the Cattle Breeding Station from levy of "House Tax" under the Village Panchayat Regulation.

I have the honour to state that the Village Panchayat of Gondedahalli to which the Cattle Breeding Station has been included, have levied a house tax of Rs.57/- on the Government quarters on the Station in accordance with their Resolution dated 13-4-1934 (~~copy~~ enclosed herewith for reference and obliging return when done with). The cost of sanitation, lighting, road maintenance, water supply and other similar facilities is met out of the budget grant of the Station, and the payment of this additional burden will only add to the expenditure of the Institution, while no advantage is derived by/the Farm area under the operation of the Village Panchayat Regulation. I therefore requested the Revenue Commissioner in Mysore to exempt the Farm quarters from this levy, but he considers the proposal inadmissible. A copy of the Revenue Commissioner's letter No.Dl.Dis.2079-33-34 dated 11th May 1934 is herewith enclosed.

I request you therefore to be so good as to obtain the orders of Government granting the necessary exemption in this case.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Agriculture.

Re: the exemption of houses in the Cattle Breeding Station at Ajjampur from the levy of "House Tax" under the Village Panchayat Regulation.

With reference to your letter No.Roc.2612-Sc.260/33-34 dated 1st May 1934 regarding the above subject, I have the honour to state that the proposal is inadmissible as the buildings in the Cattle Breed Station are being used for residential purposes and as such cannot be exempted from the levy of House Tax under the Village Panchayat Regula (Vide Rule 8 (b), i, of the Rules issued with Government Notification No.4347/L.B.26-26-126 dated 6th January 1927).

SIR,

I have the honour to state that the Deputy Commissioner, Bangalore District has reported in his letter No.C2.(a) 3910/32-33 dated 17th April 1934, that the Bannerghatta Village Panchayet in the Anekal taluk propose to provide 5 electric lights for street lighting in the village, and that this proposal costs the Village Panchayet Rs 75/- per annum. The present income of the Village Panchayet is stated to be Rs 132/- per annum and is not considered adequate to meet the normal requirements of the Village Panchayet as well as the additional expenditure on electric lighting. The Village Panchayet has therefore resolved after observing the prescribed formalities to levy under Section 37 of the Village Panchayet Regulation an optional tax of annas four on every rupee of the compulsory tax that is now being levied by the Village Panchayet to enhance its income. It is calculated that a sum of Rs 33/- will be realised by this additional levy. In these circumstances, the sanction of Government may be obtained to the levy of the optional tax as proposed by the Panchayet.
